Discard: July 8, 2017

TO: WEIGHTS AND MEASURES OFFICIALS

SUBJECT: Training Webinar - Junk Dealer Recycler Inspections

Weighmasters who are junk dealers and recyclers have additional licensing requirements and must undergo a mandatory weighmaster license inspection to verify the information listed follows all rules and regulations. The Division of Measurement Standards, along with a representative of the State Water Resources Control Board (SWRCB), will present a webinar to train county officials on the licensing requirements and inspection procedures. A brief segment to cover invoice requirements will be presented at the end of the seminar.

Subject areas that will be covered include:

- Business and Professions Code § 12703.1: Background, Overview, and Junk Dealer Recyclers Exempt from the Licensing and Inspection Requirements of § 12703.1
- Definitions from Division 8, Chapter 9, Article 3 of the Business and Professions Code: junk dealer, recycler, and non-ferrous materials
- Application requirements for Junk Dealer Recyclers
- Review of inspection procedures
- Stormwater Permit requirements (Presented by Rebecca Greenwood, SWRCB)
- Invoicing for inspections

Prerequisites: None

When: Thursday, June 29, 2017

Time: 1:30 pm – 3:30 pm
